Paragon provides innovative financing and leasing solutions to companies of all sizes. We assist businesses in expanding and upgrading their equipment with a focus on cash flow and capital preservation.

With a vast amount of experience in the financial industry, Paragon structures financial solutions that are tailored to meet the needs of each customer. Financial **PROGRAMS** are established to improve cash flow, conserve working capital, and reduce tax liabilities.

As an independent financial source Paragon partners with various **LENDERS** throughout the United States to provide customers with the most beneficial plan.

Customer Focused,  
Service Driven.

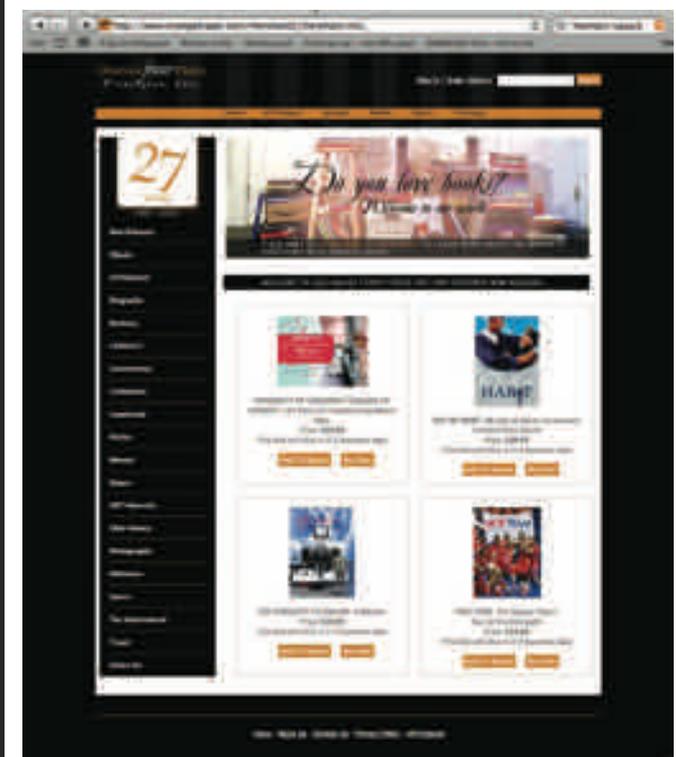

**Capital Lease**  
Leases are structured with fixed purchase options at the end of the original lease term. These leases allow the customer to depreciate the equipment.

**True Tax Lease**  
A lease transaction classified by the Internal Revenue Code which qualifies the Lessee to expense the lease payments. The Lessor claims tax benefits related to the equipment ownership.

**TRAC (Terminal Rental Adjustment Clause) Lease**  
A True Tax lease with a prearranged value at the end of the term for titled vehicles.
